

YST 2020 Summer Musical Theatre Camp

The Full Broadway Production of

The Sound of Music

Virtual Curriculum:

If we are still on the Stay At Home order, we will be using ZOOM to start this camp.

The 3 week camp day curriculum will be the same, except the hours will be 10am-2pm and additional rehearsal time will be added at the theatre once we are allowed back in.

The kids will be scheduled together sometimes and in smaller groups sometimes to visit different ZOOM rooms to work with different directors on different aspects of the show or Improv Games and Character Study, which are the best skills you can learn to improve your on stage performance level.

After the 3 week virtual camp – IF the Stay At Home Order is still not lifted, we will create an at home review schedule and a google doc for accountability so the campers can keep everything they learned fresh in their minds until we are able to get back into the theatre.

At that time we will send out an availability form and schedule weekly in theatre tech rehearsals for 6 weeks while the *Seussical* and *The Wizard of Oz* casts complete their performance schedules, and then we will do our full 2 weekends of performances of *The Sound of Music*!
